Convening for Title X Staff

June 12–13, 2024 (Magnolia Hotel Denver, CO)

Over the course of 1.5 days, Title X staff will participate in interactive workshops designed to help them understand the Title X Program overall, seize opportunities, and overcome common challenges. Session topics will address the Title X Expectations, I&E, adolescent health services, and community participation. There will also be breakout sessions focused on each program component (clinical, administrative, and fiscal) and on agency successes and challenges.

The objectives of the convening are to:

- Connect Title X staff to each other
- Increase knowledge of Title X Program Expectations among Title X staff
- Share resources available to Title X staff
