

Agenda

Maintaining Equity, Access, and Quality in a Changing Policy Landscape: Convenings for Title X Project Leadership

Atlanta, GA: March 21–22 (location TBD)
Phoenix, AZ: April 19–20 (location TBD)
Indianapolis, IN: May 18–19 (location TBD)

The Reproductive Health National Training Center (RHNTC) will convene in person with Title X grantees through a series of interactive workshops. Participants will identify strategies and actions to support family planning services amid state policy changes that are already having an impact on equity and accessibility. These convenings will:

- Connect grantees during interactive sessions with facilitated discussion on the challenges and opportunities for Title X Program planning and implementation
- Discuss strategies for adapting to state policy changes that affect service delivery

The agenda below will be the same for each convening.

Day 1 Agenda

8:00–9:00	Breakfast and grounding exercise
9:00–10:00	Welcome and introductions
10:00–12:30	Adapting to changing legal and policy landscapes <i>Facilitator: Kami Geoffray, Geoffray Strategies</i> Interactive session to review common legal and risk management considerations; learn from other grantees about how they are adapting to legal and policy challenges; identify strategies for the future, including adaptive leadership practices; and share tailored resources.
12:30–2:00	Lunch and leadership During lunch, facilitators will share strategies for navigating challenging conversations with staff and teams.
2:00–3:10	Strategies and resources for equity and quality while increasing access to all contraceptive methods, including LARC and EC <i>Facilitators: Jennifer Kawatu, Angie Fellers LeMire, RHNTC</i> Session to share practices and resources available for meeting increased and changing demands; strategies for increasing access and efficiency; how to improve workflow and systemic practices; and how to deal with misinformation. Small group discussions for peer sharing and action planning.
